

Raw Oak Herringbone Parquetry Flooring

LB Timber

from $61.00

Description

Unfinished European oak herringbone parquetry, supplied raw so it can be sanded and finished on site in whatever stain, oil or lacquer the project calls for. Solid 18 mm oak in a classic herringbone pattern, available in two block sizes, both machined tongue and groove on the long edges for a tight, stable fit. The 450 x 90 mm block also suits double herringbone and basket weave layouts. Profile: tongue and groove 450 x 90 x 18 mm: 28 boards per carton, 1.134 m2 610 x 125 x 18 mm: 20 boards per carton, 1.53 m2 Moisture content: 9-12% A timeless pattern, with the finish left entirely up to you.

Variants
